2. Radio London - Series 31
3. "Son of Sampler" - A jingle sampler by Jon Wolfert (1969)

Norman:

Hope you enjoy the tape. Let me know your reactions. Why don't you record all your opinions and questions on a tape and send them to me, and I'll respond the same way. It's very hard to hear and to concentrate when you call me at FAMS. Keep in touch.

Jon
