Mr. Alfred M. Bunzl
Hon. Gen. Secretary
Campaign for Independent Broadcasting
13 Ashwood House
London, N.W. 4
England

Dear Mr. Bunzl:

Mr. Chesnut passed your letter along to me, and I was very flattered to hear that someone from England enjoyed our programming.

Enclosed please find a taped air-check of our station. There is no charge for the tape, and if there are any other questions I can answer for you, feel free to let me know.

Sincerely yours,

A handwritten signature in blue ink that reads "Don Day". The signature is written in a cursive style with a long, sweeping underline that extends down towards the typed name.
