Re: Application for membership

Dear Sir,

With regard to our one year successful activities, we take the liberty to inquire if there is any possibility that Radio Nordsee International could become a member or an associated member of the European Broadcasting Union.

Considering the fact that RNI today has 4.5 Million listeners in the Benelux, only, and approx. 3 Mil. in all of Europe, we may well say that the station, today, has become a considerable ingredient in the world of broadcasting. We therefore hope that our application will be taken into serious consideration.

Looking forward to hearing from you at your earliest convenience, we remain,

Yours faithfully,  
RADIO NORDSEE INTERNATIONAL

Ed. Bollier
